### **Aerolite's Principals Present at EMO**

#### **1. Parpas Group (Gruppo Parpas), Italy**

- a. OMV
- b. Parpas
- c. Famu

Manufacture: Vertical machining centers  
Horizontal machining centers  
Universal Machining center  
Boring and milling machines  
Gantry style machining center  
High speed 5 axis milling machines  
Milling/turning machines

Contact: Mr. Gianluca Battisti, Export Director  
Hall 13, Both B58

#### **2. Pama Spa, Italy**

Manufacture: Large size horizontal boring and milling machines  
Medium size horizontal boring and milling machines  
Machining centers

Contact: Mr. Flavio Tosato, Area Manager  
Hall 13, Booth B34

#### **3. Spinner GmbH, Germany**

Manufacture: Small and medium size high precision machining centers  
Small and medium size turning centers  
Ultra precision turning centers  
Vertical, universal and horizontal machining centers  
Automatic handling systems

Contact: Mr. Ali Avci, General Manager  
Mr. Axel Spinner, Director  
Hall 27, Booth A44

#### **4. Realmecca, France**

Manufacture: Ultra precision vertical and horizontal machining centers  
Contact: Mr. Ali Avci, General Manager

Tel : +92 (51) 5565267  
: +92 (51) 5565081  
Fax : +92 (51) 5525758  
Email : mansoor1@dsl.net.pk

Mr. Axel Spinner, Director  
Mr. Medot, Sales Manager  
Hall 27, Booth A44

#### **5. Safop Spa, Italy**

Manufacture: Large size lathes and turning centers  
Turning and milling centers  
Deep hole boring machines  
Under floor wheel reprofiling machines  
Machines for the railway, energy, crankshaft and ordnance industries  
Contact: Mr. Franco Spironelli, Area Manager  
Mr. M. Rosolen, Area Manager  
Hall 26, Booth B27

#### **6. Pietro Carnaghi, Italy**

Manufacture: Medium and large size vertical turning machines  
Grinding machines  
Vertical turning/milling/grinding machines  
Gantry type boring and milling machines  
Contact: Mr. Giuliano Radice, Sales Director  
Hall 13, C 82

#### **7. Repkon, Turkey**

Manufacture: Flow forming machines  
Metal spinning machines  
Shear forming machines  
Presses  
Contact: Mr. Hans Reichhardt, Managing Partner  
Mr. Azer, Chairman of the Board  
Mr. Gurhan Bilgin, CFO  
Hall 14, D32

#### **8. D'Andrea Spa, Italy**

Manufacture: Tool holders (pre-balanced and balanceable)  
Boring and facing heads  
Boring tools

Tel : +92 (51) 5565267  
: +92 (51) 5565081  
Fax : +92 (51) 5525758

Pakistan

---

Modular boring system  
Milling cutter bodies  
Contact: Mr. Sergio Bassanetti, Managing Director  
Hall 5, Booth D55

#### **9. Ingersoll Cutting Tools, Germany**

Manufacture: Tooling, Inserts  
Milling and boring tools  
Special tools  
Contact: Mr. Joerg Lettermann, Sales Director  
Mr. Gerd Liechtenthaler, Sales Manager  
Mr. Erich Eckert, Sales Manager  
Hall 3, Booth G25

#### **10. Reime Noris, Germany**

Manufacture: Taps, Thread mills, indexable insert thread mills, drills, end mills  
Tools for hard materials  
Contact: Mr. Oskar Wenzel, Area Manager  
Hall 4, Booth G62

#### **11. Sahinler, Turkey**

Manufacture: Plate rolling and bending, 3 roll bending, profile and section bending, flanging machines, presses, steel workers, punching machines  
Contact: Mr. Serkan Sahin, Sales Manager and Director  
Hall 15, Booth D30

#### **12. Akira Seiki, USA, Taiwan**

Manufacture: CNC machining centers and CNC lathes  
Contact: Ms. Winifred Chao, International Sales Manager  
Hall 26, Booth C19

Tel : +92 (51) 5565267  
: +92 (51) 5565081  
Fax : +92 (51) 5525758
